

Xjenza Malta-TÜBİTAK 2026 Joint Call for R&I Proposals

National Administrative Form

Version: 1

Issue Date: March 2026

Notes to Applicants

1. The official National Rules for Participation and relevant Call Text can be downloaded from the [Xjenza Malta website](#). Relevant annexes can be downloaded from the Xjenza Malta's [resource page](#).

2. Kindly ensure that this application form is filled in with reference to the National Rules for Participation and relevant Call Text.
3. The National Administrative Form and any attached documents will be treated as confidential throughout and after the project appraisal process.
4. Only National Administrative Forms which are complete and that include all relevant supporting documents will be evaluated.
5. Only electronically filled-in application forms will be accepted. Should the application be hand-written or should the format of the application form be altered, the application form will not be evaluated.
6. All responses must be clearly explained and substantiated.
7. A complete National Administrative Form along with all relevant annexes/supporting documents as well as a copy of the Joint Application Form must be submitted by the Lead Applicant of the Malta-based entity that intends to participate in the project consortium, to Xjenza Malta via email on prima.xjenzamalta@gov.mt. If the Maltese Project Consortium is made up of more than one Applicant, the Lead Applicant must submit the Joint Application Form and the National Administrative Form on behalf of the local project consortium. Corresponding annexes of Project Partners may be sent directly to Xjenza Malta via email. Please note that physical submissions will not be accepted.
8. The deadline for submission is **5th June 2026, 23:59 CET**. Any submissions received after this date and time will be rejected.
9. This National Administrative Form will be evaluated, in combination with the Joint Application Form and all relevant supporting documents. Applications will be subjected to an eligibility check and, if eligible, to an evaluation process. The Managing Authority reserves the right to request further information should this be required.

Project Duration [in months]	Click or tap here to enter text.

The relevant Annexes must be completed and submitted together with the application form, in accordance with the applicable route (GBER, *de minimis*, or Non-State Aid). Accessed from the [Resources Page](#).

Submit a list of assigned deliverables that the beneficiary is responsible for/is contributing to.

The **format and weighting** of deliverable submissions must be specified (e.g., presentations, reports, correspondence, legal agreements, images, event agendas, audio recordings, videos, databases, certificates or manuscripts). Deliverable submissions must be done through a file storing/sharing service that is set-up by the beneficiary.

Mandatory deliverables as per the National Rules shall be also listed. Activities related to project set-up, such a personnel recruitment, procurement of equipment, internal meetings, etc, should not be considered as deliverables. Applicants should ensure that the deliverables proposed remain relevant and proportionate to the scope of the project, avoiding excessive & unnecessary deliverables.

N.B: Further to the mandatory deliverables, the proposed deliverables should not exceed twelve (12).

Assigned Project Deliverables	Leading or Contributing (Indicate for both lead and partner)	Format	Submission Date	Percentage weighting (cumulative 100%) *

**Allocate a percentage to each deliverable (both mandatory and additional deliverables) indicating their relative importance to the successful completion of the project. Consider the significance of each deliverable within the context of the project's objectives and goals; please be aware that these percentages will be evaluated. The total allocation should sum up to 100%.*

***The End of Project Financial Report is not subject to a percentage weighting. This mandatory deliverable holds an overarching 100% of the project value. Failure to submit the End of Project Financial Report by the end of the project finalisation phase will result in the automatic refund of the full grant amount.*

Note: If the project is awarded, the Grant Agreement specifies that if a deliverable is not delivered within the timeframes stipulated beyond the project end date, the corresponding percentage of the grant will be deducted from the project value.

4. Risk Appraisal of Foreign Partners

Is the proposed research considered to involve [critical technology](#) ? Yes/No

If yes, indicate the relevant Technology Area and specific technologies listed, or any other technologies deemed relevant by the applicant.

If yes, has the applying entity conducted a risk appraisal⁵ of the foreign partner?

Please provide a brief summary of the appraisal outcomes and confirm whether the entity is satisfied to proceed with the proposed collaboration.

5. Additional Declarations

⁵ Risk appraisals help safeguard research security by identifying potential risks in international collaborations involving critical technologies. The applying entity is responsible for deciding the scope and approach of the appraisal. Entities may use the European Commission's "[Building Blocks for Risk Appraisal](#)" as a resource, though it is not expected that all questions will be answered. Other frameworks or internal tools may also be used. The evaluation will focus only on whether an appraisal was completed, not on the methodology used.

Personal Data Protection

- i. **Contact Email Address of the Data Protection Officer:** dpo.xjenzamalta@gov.mt
- ii. **The Legal Basis and Purpose of Processing:** The personal data collected by Xjenza Malta (hereinafter 'the Managing Authority') via this written application for the aid and its subsequent processing by the Managing Authority to evaluate data subject's request for aid under the Scheme is in line with:
- iii. The relevant National Rules for Participation.
- iv. Commission Regulation (EU) No 651/2014 of 17th June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty, as amended by Commission Regulation (EU) No 2017/1084 of 14 June 2017 amending Regulation (EU) No 651/2014 as regards aid for port and airport infrastructure, notification thresholds for aid for culture and heritage conservation and aid for sport and multifunctional recreational infrastructures, and regional operating aid schemes for outermost regions and amending Regulation (EU) No 702/2014 as regards the calculation of eligible costs, by Commission Regulation (EU) 2020/972 of 2 July 2020 amending Regulation (EU) No 1407/2013 as regards its prolongation and amending Regulation (EU) No 651/2014 as regards its prolongation and relevant adjustments, by Commission Regulation (EU) 2021/1237 of 23 July 2021 amending Regulation (EU) No 651/2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty, and by Commission Regulation (EU) 2023/1315 of 23 June 2023 amending Regulation (EU) No 651/2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty and Regulation (EU) 2022/2473 declaring certain categories of aid to undertakings active in the production, processing and marketing of fishery and aquaculture products compatible with the internal market in application of Articles 107 and 108 of the Treaty, (hereinafter referred to as the 'General Block Exemption Regulation'), in the case of those projects submitted under Regulation B of the National Rules for Participation – State aid.
- v. Commission Regulation (EU) 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid (hereinafter referred to as the 'de minimis Regulation') in the case of those projects submitted under Regulation A of the National Rules for Participation – State aid.
- vi. Data Protection Act (CAP 586 of the Laws of Malta) and Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation).
- vii. The legitimate basis to process personal data submitted by the data subject by virtue of his/her written application for aid is Regulation 6 (1)(b) of the General Data Protection Regulation ("GDPR"), as *'processing is necessary in order to take steps at the request of the data subject prior to entering into a contract'*.
- viii. **Data Retention Period:** The data collected by the Managing Authority as submitted by the data subject via this written application for aid will be retained for a period of ten (10) years from the date on which the aid was granted under this scheme, in line with Article 12 of the General Block Exemption Regulation (where applicable) or Article 6 of the *de minimis* Regulation (where applicable). In the case of projects which are not awarded, data collected by the Managing Authority as submitted by the data subject, shall need to be retained for the duration of the funding programme or of the programming period.
- ix. **Pursuant to the GDPR Regulation, you have the right to access personal data, rectify inaccurate personal data, request to erase personal data, and request the Managing Authority to restrict the processing of personal data.** To exercise such rights, you are to submit a written request to the Data Protection Officer via the contact e-mail address. Any erasing and/or rectification of personal data and/or restriction of processing as referred to above may:
 - a. Render one or more cost items or the Entity ineligible for assistance under the Scheme or render void the Grant Agreement issued in favour of the Entity for assistance under the Scheme in relation to this written application for aid.

- b. Lead the Managing Authority to enforce a recovery of aid granted to the Entity as part of this written application for aid.
- x. **Sharing of data where strictly necessary and required by law:** For the purpose of processing this written application for aid in line with the National Rules for Participation, the General Block Exemption Regulation or the de minimis Regulation, the Managing Authority may share the data provided via this application with other Government Entities, subject that such processing satisfies at least one of the grounds listed under Regulation of the GDPR. The use of the Scarlet Database owned by JobsPlus shall also be used to aid in the interpretation of the 'enterprise size declaration', the 'undertaking in difficulty' and the 'de minimis declaration' forms.
- xi. For the purpose of monitoring aid in line with Article 6 of the de minimis Regulation and Articles 11 and 12 of the General Block Exemption Regulation or where legally required, any data provided as part of this written application for aid may be shared with the European Commission.
- xii. For any individual aid award granted in line with Regulation B of the Rules for Participation - State aid that is in excess of €100,000 (or for beneficiaries active in primary agricultural production or in the fishery and aquaculture sector on each individual aid award exceeding €10,000) as part of this written application for aid, the details of the Beneficiary, the awarded aid, and the project details shall be published as provided for in Article 9 of the General Block Exemption Regulation.
- xiii. If you feel that your data protection rights have been infringed, you have the right to lodge a complaint with the Information and Data Protection Commissioner.
- xiv. **Authorisation to engage with the Managing Authority on matters related to this application:**

I the undersigned, as the legal representative of the Applicant Entity, authorise the following Legal Bodies and/or Natural Persons to act on my behalf with the Managing Authority concerning matters related to this written application for aid and any subsequent documentation exchanged between the two parties concerning the same written application for aid.

The person giving authorisation should correspond to the data subject of personal data contained in this application as well as represent the Applicant Entity as its legal representative.

Union to *de minimis* aid (where applicable), and Article 8 of Commission Regulation (EU) No 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty, as amended (where applicable).

Double Funding

The undersigned confirms that there has not been any approval or has been granted any public funding, financing or fiscal benefit in respect to the cost items included in this request for aid and will not seek funding or fiscal benefits for these cost items through other National and/or European Union measures. Such measures may include:

- i. Schemes administered by Xjenza Malta, Malta Enterprise, the Planning and Priorities' Coordination Division (PPCD), the Measure and Support Division, Jobsplus, the Energy and Water Agency, and other government-funded schemes operated by other entities (such as JAMIE financial instrument).
- ii. Schemes funded through Horizon 2020, Horizon Europe, ERDF, ESF and any other European Union programmes/instruments.

Outstanding Recovery Order

The undersigned confirms that the applicant is not subject to an outstanding recovery order following a previous Commission decision declaring an aid granted by Malta illegal and incompatible with the internal market.

Transparency Obligations

For any individual aid award in line with Regulation A of the National Rules for Participation – State aid, as of 1 January 2026, information on *de minimis* aid granted under this scheme shall be made publicly available in a central register.

The following information shall be made public:

- i. The identification of the beneficiary,
- ii. The aid amount,
- iii. The granting date,
- iv. The aid instrument, and
- v. The sector involved on the basis of the statistical classification of economic activities in the Union ('NACE classification').

For any individual aid award in line with Regulation B of the National Rules for Participation – State aid, that is in excess of EUR 100,000 (or for beneficiaries active in primary agricultural production or in the fishery and aquaculture sector, on each individual aid award exceeding €10,000), the details of the beneficiary; the aid awarded; and the project details; shall be published as provided for in Article 9 of Commission Regulation (EU) No 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty, as amended.

By submitting this application, I hereby acknowledge that the Managing Authority shall abide by any applicable transparency rules and may publish and make available to third parties' information as required by such rules.

Declarations for Lead Applicant
